SHOPPING GUIDE

SUPPORTING BUSINESSES THAT STAND
UP FOR REPRODUCTIVE FREEDOM

WELCOME!

This holiday season, take action for reproductive freedom by buying from businesses that support abortion access or by gifting a Pro-Choice Washington donation to your loved ones.

We are incredibly grateful for the many businesses and entrepreneurs, in Washington state and beyond, who support Pro-Choice Washington. Their generous monetary and in-kind donations have bolstered our advocacy, education, and community engagement efforts.

To show our thanks, we developed the Pro-Choice Washington Shopping Guide. Check it out for all your holiday shopping needs, as well as future gift ideas, entertainment, and services.

Together, we can show solidarity with business leaders who boldly stand for abortion access and reproductive freedom in Washington.

Also, please consider giving a donation to Pro-Choice Washington as a meaningful gift to friends or family.

GIFT DONATION

Just mark the box “I’d like to make this contribution in honor or in memory of someone” and you can include their name in a tax-deductible gift donation.

Do you know a great business that should be on this list?

OUR IMPACT

Pro-Choice Washington has been active in the state since 1976 and is responsible for pivotal progress such as helping pass the Freedom of Choice Act in 1991, which codified *Roe v. Wade* into state law.

More recently, Pro-Choice Washington helped pass 11 critical bills to advance reproductive freedom. Since 2017, these bills have made it easier for people, women, and families to procure birth control and emergency contraception, strengthened parental leave policies, ensured comprehensive sexuality education no matter a student's zip code, and made it illegal to deny life-saving care to pregnant patients experiencing miscarriages or ectopic pregnancies.

We also secured a reproductive freedom majority in the Washington State Legislature. In 2017, we flipped party control of the State Senate for the first time in five years. In 2018, we flipped a critical Senate seat, ousting a long-time conservative lawmaker, and in 2020, we helped elect 11 new progressive candidates.

GET INVOLVED

Give a donation to Pro-Choice Washington as a meaningful gift to friends or family. Mark the box "I'd like to make this contribution in honor or in memory of someone" and include the recipient's name in a tax-deductible gift donation.

GIFT DONATION

Join our Legislative Action Team for the January 2022 Washington Legislative session. Let our lawmakers know that that unbiased, quality, and affordable abortion and reproductive healthcare matters to all Washingtonians.

GET INVOLVED!

Sign up with your email to join the Pro-Choice Washington community and activist network.
