

# 2023 - 2024 Gifting Guide

SUPPORTING LOCAL WASHINGTON BUSINESSES  
THAT STAND UP FOR REPRODUCTIVE FREEDOM

# Welcome!

Since stepping into the role as Interim Executive Director of Pro-Choice Washington, I have been so moved by the support from our partners, local business leaders, and community members around Washington.

That is why I'm so excited to share with you our 2023-2024 Gifting Guide!

This guide is an extension of the relationships and partnerships we have developed and strengthened over the few years.

It is in large part because of the support from many of the businesses, artisans, and institutions included in these pages that we accomplished so much for the future of abortion care in Washington state.

As an engaged voter and abortion activist, you know we are facing an upcoming presidential election where our human rights and American democracies will be on the line.

[GIFT DONATION](#)

You know that the anti-abortion and anti-democratic movements will seek to roll back your rights. We can't let that happen.

Voters like you have shown that our movement is strong.

If expanding abortion access and protecting democratic institutions are important to you, join me in using this Gifting Guide to support businesses that align with our mission and collective values.

You can always gift a donation to Pro-Choice Washington as a meaningful way to show your friends and family that you support abortion rights.

Together, we can raise our voices and protect what's important to us all.

**SAMI ALLOY (SHE/HER)**

## OUR IMPACT

Pro-Choice Washington has been active in the state since 1976 and is responsible for pivotal progress such as helping pass the Freedom of Choice Act in 1991, which codified Roe v. Wade into state law.

More recently, Pro-Choice Washington helped pass five pro-abortion laws during the 2023 legislative session that better ensure the safety of Washington abortion patients and abortion providers.

In the 2022 General Election, 85% of our endorsed candidates won their elections, after our activists helped to knock on 1,419 doors and make 910 phone calls to prospective voters. In the one critical district, we flipped all three seats, turning the district blue for the first time in 30 years.

## GET INVOLVED

Give a donation to Pro-Choice Washington as a meaningful gift to friends or family. Mark the box “I’d like to make this contribution in honor or in memory of someone” and include the recipient’s name in a tax-deductible gift donation.

[GIFT DONATION](#)

Join our Legislative Action Team for the January 2024 Washington Legislative session. Let our lawmakers know that unbiased, quality, and affordable abortion and reproductive healthcare matters to all Washingtonians.
